The Hell's Angels erupted into 1960s America, paralysing whole towns with fear. Determined to discover the truth behind the terrifying reputation of these marauding biker gangs, Hunter S. Thompson spent a year on the road with the Angels, documenting his hair-raising experiences with Charger Charley, Big Frank, Little Jesus and The Gimp. Hell's Angels was the result: a masterpiece of underground reportage whose free-wheeling, impressionistic style created the legend of Gonzo journalism, and made Thompson's name as the wild man of American writing.
